

ADDENDUM #1

**WESTERN KENTUCKY REGIONAL
INDUSTRIAL DEVELOPMENT AUTHORITY**

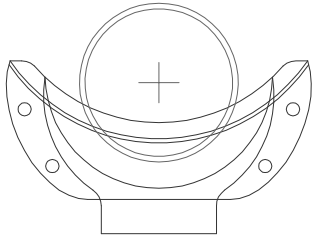

FOUR STAR INDUSTRIAL PARK

**SEWER LINE EXTENSION
TO "BUILD READY" SITE
CONTRACT 6**

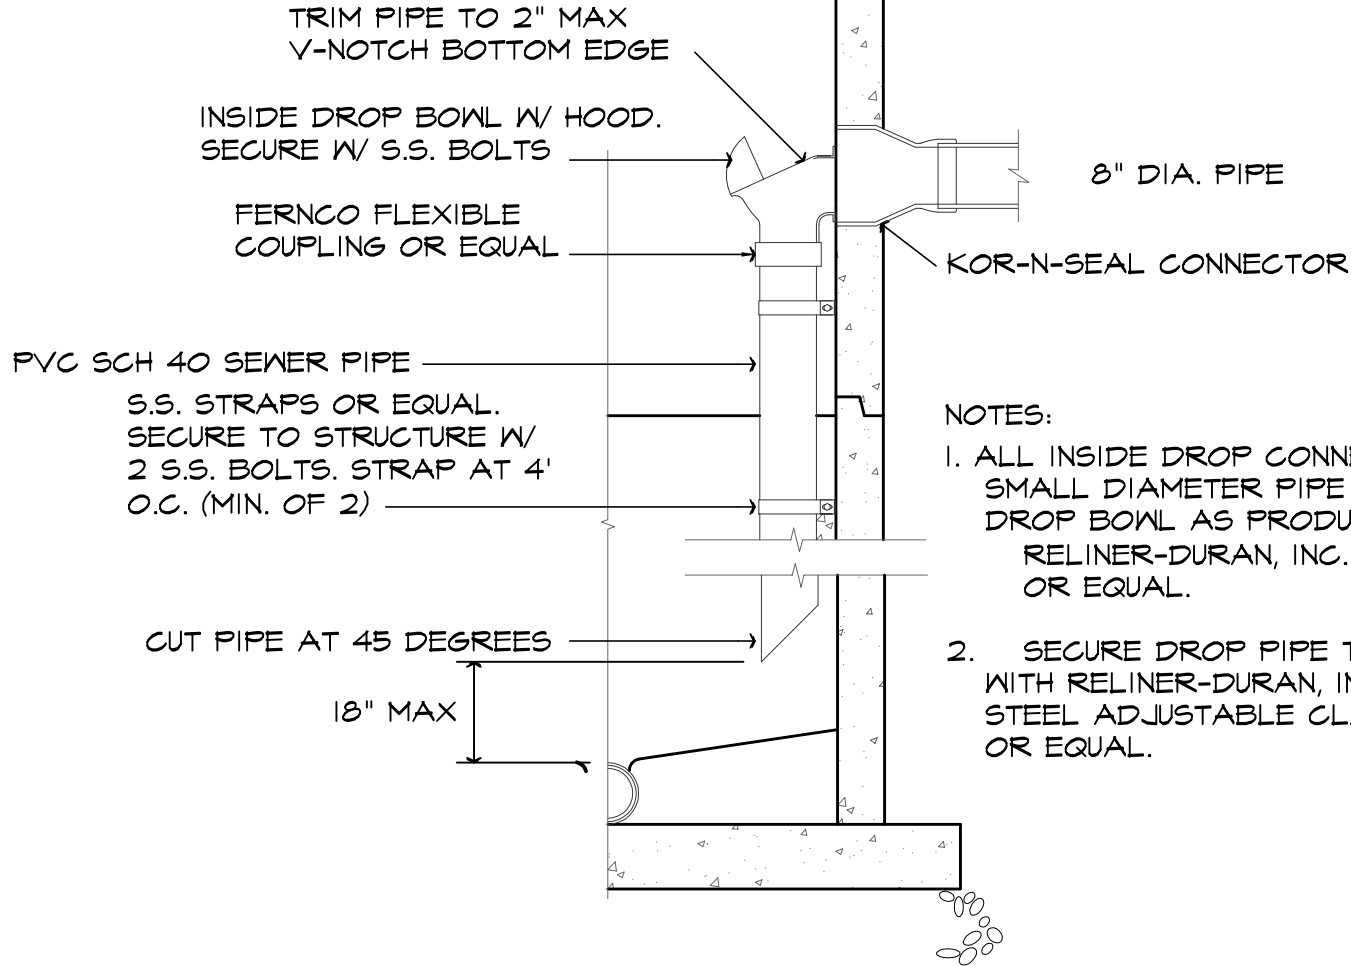

DATE: June 22, 2015

1. Reference the note on sheet C-1 in the plan view at the existing wet well. The Owner will be responsible for payment of the tap fee to H.W.U.
2. H.W.U. has advised that the contractor will be responsible for installing the interior drop pipe in the existing overflow storage wet well. The wet well is reported to be approximately 18 feet deep. The drop pipe is to be included in the cost of Bid Item 8 which is for the connection to the existing wet well overflow storage manhole. "Reshaping the invert" as described in the bid item is not a requirement. The inside drop shall be installed as shown on attached detail.
3. Reference sheet C-2. In the profile view manholes A-6 and A-7 are incorrectly labelled. The labels should be A-5 and A-6 as shown in the plan view. Similarly, in Bid Item 3, there are 7 manholes to be bid. However, only 6 will be required and paid for in the job. The contractor should bid 7 manholes as called for in the bid form.

END

DROP BOWL MOUNTING POSITION

NOTES:

1. ALL INSIDE DROP CONNECTIONS FOR SMALL DIAMETER PIPE SHALL USE THE DROP BOWL AS PRODUCED BY:
RELINER-DURAN, INC. (800) 434-0277 OR EQUAL.
2. SECURE DROP PIPE TO MANHOLE WALL WITH RELINER-DURAN, INC STAINLESS STEEL ADJUSTABLE CLAMPING BRACKETS OR EQUAL.
